Who's Who in Navy Blue

The moon is shining on the Rippling waves,
The stars are twinkling in the evening sky,
And in our dreams Tecumseh softly tells us
We'll be Admirals by and by.

"Star Spangled Banner"

(v 1 of 4. Poem written by Francis Scott Key. Congress voted in 1931 to make it the National Anthem of the United States of America.)

Oh, say can you see by the dawn's early light?
What so proudly we hailed at the twilight's last gleaming!
Who's broad stripes and bright stars
Through the perilous fight,
O'er the ramparts we watched were so gallantly streaming.

And the rockets red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star spangled banner yet wave
O'er the land of the free and the home of the brave?

Thank You
